GENERAL STARTING CONDITIONS

I hereby confirm that my date of birth and all other data provided by me are correct. I assure that I will not pass on my starting authorization to any other person. When collecting the starting documents, the participant must present a valid identity card or passport and the signed disclaimer. The organizer accepts no liability for the loss of clothing and valuables. The organizer is not liable for the accuracy of the data from the jury's assessment. The organizer is entitled to make changes to the event at any time. Such changes do not justify any claims for damages on the part of the participants. With my signature, I declare that I am taking part in the event at my own responsibility and risk.

DISCLAIMER

Furthermore, I declare that in the event of damage, I have no claim whatsoever against the organizer, the site owner, the authorities associated with the event or other participants and that I am adequately insured against accidents and liability claims. The exclusion of liability applies to claims on any legal grounds, in particular to claims for damages arising from contractual as well as non-contractual liability and also to claims in unauthorized actions.

The organizer shall not be liable for personal injury, property damage or financial loss, nor for slight negligence. This applies both to its own actions and to the actions of its representatives, vicarious agents or third parties used by the organizer in connection with the execution of the event. Excluded from the exclusion of liability are only claims based on an intentional or negligent breach of duty by the group of persons. The organizer is not liable for health risks and dangers of the participants. The organizer shall not be liable for damages to the participant if the organizer is obliged to make changes to the event or cancel it due to force majeure or official orders or for safety reasons.

DECLARATION OF CONSENT

I hereby declare my consent that photos, film recordings, and interviews taken in connection with my participation may be used, distributed, and published on the internet, television, radio, books, advertisements, films, DVDs, etc., without any claims for compensation on my part. Additionally, all rights to video and audio recordings produced by the SWA Staff Team belong to Street Workout Austria.

I agree that my name may be published in result lists and used in event coverage. I also consent to my data (name, address, and image only) being shared with the sponsors listed in the event program, official photographers, and other events for advertising and informational purposes.

Furthermore, I agree that event staff or medical personnel may remove me from the competition against my will if the organizer deems it necessary for various reasons, particularly for health and safety concerns.

The organizer assumes no liability for any health risks and dangers associated with participation. It is the responsibility of the participant to assess their health condition before the event and, if necessary, obtain medical clearance.

The organizer is not liable for any compensation to the participant if, due to force majeure, official regulations, or safety reasons, the event must be modified or canceled.
